3M™ Scotchprint® Wrap Film Series 1080

Anything but ordinary

Refuse to be ordinary. Refuse to blend in. 3M™ Scotchprint® Wrap Film Series 1080 offer a simple and impressive way to make you—and your car—stand out in the crowd.

Create a look that says you set your own course with head-turning matte color, or a how'd-you-do-that carbon fiber texture. Either way, you'll make everyone look again, and again.

3M warrants the durability and reliability of your look for three years on vertical surfaces and one year on horizontal surfaces. And the film removes cleanly.
