

What is 3M™ VentureShield™ Paint Protection Film?

Our protective product is an extremely durable, colorless urethane film that is applied to high-impact, vulnerable areas of your vehicle. 3M VentureShield Paint Protection Film protects your paint from road hazards such as flying gravel, bug acids, tar and scratches from keys or rings.

- Easy to maintain
- Available up to 60" wide
- Installed by trained professionals
- Covered by a 5 year limited warranty

Trust the strength and durability of 3M VentureShield Paint Protection Film.

More Questions:

Can I install the film myself?

3M recommends that a trained, certified installer apply the film because of the complex curves and contours on today's cars. Warranty is valid only if film is installed by a certified installer.

Can the film be removed?

Yes, the film can be removed if you wish. To get the best results, ask your certified installer to remove it.

Where can I buy this product?

Contact your favorite new car dealership and ask for it by name — 3M™ VentureShield™ Paint Protection Film. Visit our website below to find a certified installer near you.
